Quarterly Financial Report

For the three and nine months ended December 31, 2013

The quarterly financial statements for the Canadian Museum for Human Rights (CMHR) (the Corporation) must be read in conjunction with the March 31, 2013 Management Discussion and Analysis and Annual Audited Financial Statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Refer to Management's Discussion and Analysis as presented in the March 31, 2013 Annual Report. Updates for the quarter ended December 31, 2013 are as follows.

Statement of Financial Position: December 31, 2013

Total Assets increased \$3.2 million from \$336.8 million at March 31, 2013 to \$340.0 million at December 31, 2013 due to the increase in Assets under construction that reflects the continued investment in the construction of the museum building, design and fabrication of exhibits, fit up of the gallery and office spaces offset by the use of Restricted cash and the payout from the Holdback account.

Total Liabilities increased \$1.8 million from March 31, 2013 primarily due to a net increase in Deferred contributions related to capital assets offset by the payout of the Holdback payable.

Net assets increased by \$1.4 million from March 31, 2013 representing excess of revenue over expenses.

Statement of Operations:

For the three months ended December 31, 2013

Parliamentary appropriations were \$5.0 million for the three months ended December 31, 2013 in comparison to \$3.4 million for the three months ended December 31, 2012.

Expenses for the three months ended December 31, 2013 were \$4.7 million in comparison to \$3.2 million for the three months ended December 31, 2012. The increase in expenses is mainly attributable to Permanent building expenses now being incurred since the base building achieved substantial completion at March 31, 2013. Museum content and program costs also increased due to the accelerated activities around exhibit, content and program development and museum inauguration.

For the three months ended December 31, 2013 there was an excess of revenue over expenses of \$0.4 million due to the timing of the receipt of appropriations.

Canadian Museum for Human Rights

Quarterly Financial Report

For the three and nine months ended December 31, 2013

For the nine months ended December 31, 2013

Parliamentary appropriations were \$14.3 million for the nine months ended December 31, 2013 in comparison to \$9.2 million for the nine months ended December 31, 2012 due to increased and accelerating activities required to support the museum inauguration in 2014.

Expenses for the nine months ended December 31, 2013 were \$13.0 million in comparison to \$8.7 million for the nine months ended December 31, 2012. The increase in expenses is mainly attributable to Permanent building expenses now being incurred as the base building achieved substantial completion at March 31, 2013. Museum content and program costs also increased due to additional staff and other costs required for exhibit, content and program development for inauguration.

For the nine months ended December 31, 2013 there was an excess of revenue over expenses of \$1.4 million due primarily to the timing of the receipt of appropriations.

Cash Flow:

For the three months ended December 31, 2013

Cash and cash equivalents decreased by \$5.3 million in the three months ended December 31, 2013 primarily due to \$8.9 million used for assets under construction offset by \$2.6 million cash from operating activities and \$1.0 million in Government of Canada funding for assets available for use. This is compared to the increase in cash and cash equivalents of \$7.1 million in the three months ended December 31, 2012 primarily due to an increase in cash from operating activities and funding received for assets under construction.

For the nine months ended December 31, 2013

Cash and cash equivalents decreased by \$21.5 million in the nine months ended December 31, 2013 primarily due to \$38.1 million used for assets under construction offset by \$12.4 million in Government of Canada funding for assets under construction and available for use and \$4.2 million from operating activities. This is compared to the increase in cash and cash equivalents of \$6.3 million in the nine months ended December 31, 2012 primarily due to an increase in cash from operating activities, funding received for assets under construction and sale of investments.

Outlook and Risk Analysis:

Management continues to monitor risks and strategies related to the Capital Project. The base building was substantially complete at March 31, 2013 and the fit-up of the gallery spaces, fabrication and installation of the exhibitions are all underway.

The Museum has announced it will open on September 20, 2014 and has aligned project and work plans accordingly. The Government of Canada has supported CMHR and approved the use of \$35 million

advance of future years operating and capital appropriations to the Museum. The Friends of the CMHR were also able to secure a \$35 million loan guarantee from the Province of Manitoba. These commitments, together with the support of the City of Winnipeg and the leadership of the private sector, have helped enable the Museum to confirm the timeline for the 2014 Inauguration.
