Quarterly Financial Report

For the three months ended June 30, 2013

The quarterly financial statements for the Canadian Museum for Human Rights (CMHR) (the Corporation) must be read in conjunction with the March 31, 2013 Management Discussion and Analysis and Annual Audited Financial Statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Refer to Management's Discussion and Analysis as presented in the March 31, 2013 Annual Report. Updates for the quarter ended June 30, 2013 are as follows.

Statement of Financial Position: June 30, 2013

Total Assets decreased by \$8.7 million from \$336.8 million at March 31, 2013 to \$328.1 million at June 30, 2013 due to the payout from the Holdback account and the use of Restricted cash offset by an increase in Assets under construction that reflects the continued investment in the construction of the museum building and the design of the exhibits.

Total Liabilities decreased by \$8.6 million from March 31, 2013 due to the payout of the Holdback payable offset by the net increase in Deferred contributions and Deferred contributions related to capital assets.

Net assets decreased by \$0.1 million from March 31, 2013 representing the \$0.2 million excess of expenses over revenue after Parliamentary appropriations offset by the \$0.1 million net remeasurement gain.

Statement of Operations: For the three months ended June 30, 2013

Parliamentary appropriations were \$3.9 million for the three months ended June 30, 2013 in comparison to \$2.9 million for the three months ended June 30, 2012 due to a difference in the timing of the requests for appropriations.

Expenses for the three months ended June 30, 2013 were \$4.1 million in comparison to \$2.8 million for the three months ended June 30, 2012. The increase in expenses is mainly attributable to Permanent building expenses now being incurred as the base building achieved substantial completion at March 31, 2013 and additional staff were hired to prepare to assume the care and control of the building. Museum content and program costs also increased due to additional staff and other costs required for exhibit and program development for inauguration.

For the three months ended June 30, 2013 there was an excess of expenses over revenue after Parliamentary appropriations of \$0.2 million due to recording the estimated Payments in Lieu of Taxes (PILT) payable for the quarter.

Quarterly Financial Report

For the three months ended June 30, 2013

Cash Flow: For the three months ended June 30, 2013

Cash and cash equivalents decreased by \$15.8 million in the three months ended June 30, 2013 primarily due to \$20.4 million used for construction including the payment of the holdback account offset by \$4.4 in Government of Canada funding for assets under construction. This is compared to the decrease in cash and cash equivalents of \$3.9 million in the three months ended June 30, 2012 primarily due to \$14.1 million used for construction offset by \$8.2 million realized from the sale of investments.

Outlook and Risk Analysis:

Management continues to monitor risks and strategies related to the Capital Project. The base building was substantially complete at March 31, 2013, the fit-up of the gallery spaces is underway and the fabrication and installation of the exhibitions have been tendered.

The Museum continues to work towards inauguration in 2014, as announced at the Museum's Annual Public Meeting in December 2011, and has aligned project and work plans accordingly. The Government of Canada has supported CMHR and approved the use of \$35 million of future years operating and capital appropriations to the Museum. The Friends of the CMHR were also able to secure a \$35 million loan guarantee from the Province of Manitoba. These commitments, together with the support of the City of Winnipeg and the leadership of the private sector, have helped enable the Museum to confirm the timeline for the 2014 Inauguration.
