Canadian Museum for Human Rights

Quarterly Financial Report

For the three and six months ended September 30, 2013

The quarterly financial statements for the Canadian Museum for Human Rights (CMHR) (the Corporation) must be read in conjunction with the March 31, 2013 Management Discussion and Analysis and Annual Audited Financial Statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Refer to Management's Discussion and Analysis as presented in the March 31, 2013 Annual Report.

Updates for the quarter ended September 30, 2013 are as follows.

Statement of Financial Position: September 30, 2013

Total Assets decreased \$2.7 million from \$336.8 million at March 31, 2013 to \$334.1 million at September 30, 2013 due to the payout from the Holdback account and the use of Restricted cash offset by an increase in Assets under construction that reflects the continued investment in the construction of the museum building, fit up of the gallery spaces and the design of the exhibits.

Total Liabilities decreased \$3.7 million from March 31, 2013 primarily due to the payout of the Holdback payable offset by a net increase in Deferred contributions related to capital assets.

Net assets increased by \$1 million from March 31, 2013 representing excess of revenue over expenses.

Statement of Operations:

For the three months ended September 30, 2013

Parliamentary appropriations were \$5.3 million for the three months ended September 30, 2013 in comparison to \$2.9 million for the three months ended September 30, 2012.

Expenses for the three months ended September 30, 2013 were \$4.2 million in comparison to \$2.7 million for the three months ended September 30, 2012. The increase in expenses is mainly attributable to Permanent building expenses now being incurred as the base building achieved substantial completion at March 31, 2013. Museum content and program costs also increased due to additional staff and other costs required for exhibit and program development for inauguration.

For the three months ended September 30, 2013 there was an excess of revenue over expenses of \$1.1 million due to the timing of the receipt of appropriations.

Canadian Museum for Human Rights

Quarterly Financial Report

For the three and six months ended September 30, 2013

For the six months ended September 30, 2013

Parliamentary appropriations were \$9.2 million for the six months ended September 30, 2013 in comparison to \$5.8 million for the six months ended September 30, 2012 due to increased and accelerating activities required to support 2014 museum inauguration.

Expenses for the six months ended September 30, 2013 were \$8.3 million in comparison to \$5.5 million for the six months ended September 30, 2012. The increase in expenses is mainly attributable to Permanent building expenses now being incurred as the base building achieved substantial completion at March 31, 2013. Museum content and program costs also increased due to additional staff and other costs required for exhibit and program development for inauguration.

For the six months ended September 30, 2013 there was an excess of revenue over expenses of \$0.9 million due primarily to the timing of the receipt of appropriations.

Cash Flow:

For the three months ended September 30, 2013

Cash and cash equivalents decreased by \$0.4 million in the three months ended September 30, 2013 primarily due to \$8.6 million used for assets under construction offset by \$6.3 million in Government of Canada funding for assets under construction. This is compared to the increase in cash and cash equivalents of \$3.0 million in the three months ended September 30, 2012 primarily due to an increase in cash from operating activities.

For the six months ended September 30, 2013

Cash and cash equivalents decreased by \$16.2 million in the six months ended September 30, 2013 primarily due to \$29.1 million used for assets under construction offset by \$10.7 million in Government of Canada funding for assets under construction. This is compared to the decrease in cash and cash equivalents of \$0.8 million in the six months ended September 30, 2012 primarily due to the use of cash to acquire assets under construction.

Outlook and Risk Analysis:

Management continues to monitor risks and strategies related to the Capital Project. The base building was substantially complete at March 31, 2013 and the fit-up of the gallery spaces, fabrication and installation of the exhibitions are all underway.

The Museum has announced it will open on September 20, 2014 and has aligned project and work plans accordingly. The Government of Canada has supported CMHR and approved the use of \$35 million advance of future years operating and capital appropriations to the Museum. The Friends of the CMHR were also able to secure a \$35 million loan guarantee from the Province of Manitoba. These
