Narrative discussion

This section of the quarterly financial report presents management's narrative discussion of the Canadian Museum for Human Rights' (CMHR) (the Museum) financial performance during the six months ended September 30, 2020. It must be read in conjunction with the March 31, 2020 Management Discussion and Analysis and Annual Audited Financial Statements.

FINANCIAL RESULTS

A summary of the financial activity for the six months ended September 30, 2020 includes the following:

OVERVIEW

On March 11, 2020, the World Health Organization (WHO) declared the COVID-19 outbreak to be a pandemic. As a result of this declaration and in accordance with public health recommendations, the Museum, along with all other national museums, made the decision to close to visitors effective March 14, 2020. On March 16, the Museum directed all but a small group of staff required on site to work from home. The Museum reopened to visitors on June 17, 2020. The closure meant that there were only 10 days during the first quarter of the current fiscal year (which began April 1, 2020) when the Museum was open to the public.

The pandemic and the closure have had, and will continue to have, a significant impact on the Museum's revenue generation and operations – including visitation, facility rentals and Boutique sales. As the duration and impact of the pandemic remains unclear as of September 30, it is not possible to reliably predict its full effect on the Museum's operations and financial condition. Recognizing the impact of the closure, the Government of Canada provided the Museum \$2.2 million in emergency funding that was received in this quarter. Museum management is actively monitoring the organization's financial condition, preparing to address the short and long-term financial impacts.

The Museum acknowledges that the work of our organization is made possible through the financial support of the Government of Canada, which is to be commended for

recognizing the important role that Canada's national museums play in Canadian society through its emergency investments during the COVID-19 pandemic.

Total visitation for the six months ended September 30, 2020 was 14,000. Due to the effects of the COVID-19 pandemic, including the closure of the Museum, this represents a significant decrease from the 173,200 visitors in the first six months of the prior year.

The Museum finished the second quarter with a surplus of revenues over expenses of \$1.0 million.

STATEMENT OF OPERATIONS

Parliamentary Appropriations

Total parliamentary appropriations, reported on an accrual basis, are \$14.9 million for the six months ended September 30, 2020, or \$0.6 million lower than the \$15.5 million for the six months ended September 30, 2019. Parliamentary appropriations include emergency appropriations of \$2.2 million received in the current quarter.

For the fiscal year 2020-2021, the total voted main estimate appropriations are \$25.5 million (\$27.0 million in 2019-2020).

Revenues

Operating revenue for the six months ended September 30, 2020 was \$0.2 million, a significant decrease from \$2.1 million in the prior year due to the COVID-19 closure, low visitation after reopening reflecting national and global travel restrictions as well as local behaviour influenced by health safety precautions, and the ongoing restrictions on gatherings. This figure represents revenue from admissions, memberships and Boutique sales since the Museum re-opened to the public on June 17, 2020 as well as travelling exhibit revenue.

Contributions of \$3.4 million are largely comprised of the amortization of deferred contributions related to capital assets received in previous periods from funding partners other than the Government of Canada (the Province of Manitoba, the City of Winnipeg and the Friends of the CMHR), which are amortized over the same period as the capital asset purchased with the contributions.

Expenses

Total operating expenses were \$17.5 million for the six months ended September 30, 2020, \$3.2 million lower than operating expenses for the six months ended September 30, 2019.

The breakdown of expenses by core responsibility is as follows:

- Museum content, programs and engagement expenses were \$5.4 million in comparison to \$7.1 million in the previous year. The decrease in expenses was due to the Museum's closure and low visitation after reopening, which resulted in reduced personnel costs and marketing expenditures as well as on-site programs and exhibition work being deferred or cancelled.
- Accommodation expenses were \$9.9 million in comparison to \$11.1 million in the previous year. The decrease was due to a decrease in the amortization of capital assets and the Museum closure resulting in lower building operations expenses.
- Internal services expenses were \$2.2 million in comparison to \$2.5 million in the previous year. The decrease was due to lower personnel costs and office and administration costs.

The Museum finished the six months ended September 30, 2020 in a positive operating position of \$1.0 million.

STATEMENT OF FINANCIAL POSITION

Total assets decreased by \$4.5 million from \$294.4 million on March 31, 2020 to \$289.9 million at September 30, 2020. The decrease was due to the amortization of capital assets, offset by an increase in cash and restricted cash and investments.

Total liabilities decreased by \$5.4 million from \$284.4 million at March 31, 2020 to \$279.0 million at September 30, 2020. The decrease was due to the amortization of deferred contributions for capital assets received in previous years offset by an increase in deferred contributions.

Net assets increased by \$1.0 million from March 31, 2020 representing an excess of revenue over expenses.

RISK ANALYSIS AND OUTLOOK

The Museum employs a continually updated risk-management framework to identify, evaluate and mitigate factors that pose a substantive threat to its ongoing operations or long-term success.

The Museum plans to conduct a full risk re-assessment in light of the effects of the pandemic and issues that have arisen about systemic racism and other forms of oppression in the Museum. The strategic plan approved by the Board of Trustees in 2020-21 will also be re-assessed in light of these issues.

The Museum will continue to work closely with its partners, the Government of Canada and the Friends of CMHR to assess its long-term funding and strategic plan, and to address the issues of diversity, systemic racism and other forms of oppression.

1. (a) Authority and mandate

The Canadian Museum for Human Rights (the “Museum”) was established through an amendment to the *Museums Act* on August 10, 2008 and is a Crown corporation named in Part I of Schedule III to the *Financial Administration Act* (FAA). The Museum is not subject to income tax under the provisions of the *Income Tax Act*.

The Museum is the first national museum established outside of the National Capital Region and the first to be constructed with funding received from the Government of Canada as well as other levels of government. The Province of Manitoba, the City of Winnipeg, and the Friends of the Canadian Museum for Human Rights (Friends of the CMHR) (representing mostly private sector, organizational and individual donors) also funded the Capital Project (building and exhibits). The Canadian Museum for Human Rights reports to Parliament through the Minister of Canadian Heritage.

The mandate, as stated in the amendment to the *Museums Act*, is as follows:

“to explore the subject of human rights, with special but not exclusive reference to Canada, in order to enhance the public’s understanding of human rights, to promote respect for others and to encourage reflection and dialogue.”

The Government of Canada approved the Museum’s corporate plan for the 2019-2020 to 2023-2024 planning period. The corporate plan summary was tabled on August 12, 2019 and is available on the Museum’s web site.
